The High Quality Language Solution for English-German-Italian-Spanish-Polish-Ukrainian-Russian Translation

VISA Literal and Technical Translation Agency LLC provides translation and interpretation services from English, German, Italian, Spanish, and Polish into Ukrainian and Russian and vice versa. Our translators and freelancers are at the top of such specialty fields: IT, Finances and Marketing, Medicine, Law, Translation for Public Sector, Translation for Military Needs, Pedagogy and Teaching Languages. Founded in 2007, VISA Literal and Technical Translation Agency LLC became a leading provider of international document services in our native city of Vinnytsia, mostly because of the work experience of the in-house staff (our employees and freelancers have 5 to 35 years of experience in translation business) and that special attention paid to each of our clients. Our goal and mission is to deliver professional services that consistently earn the trust and confidence of our clients. We have developed proven, professional processes and standards that deliver accuracy and precision for all of our clients.

By employing a staff of highly skilled specialists in medicine, law, banking, finances, accounting and management, pedagogy as well as computer and communication technologies, oil and gas, marketing, VISA Literal and Technical Translation Agency LLC avoids errors that might be made by translators with only language training.

And our translators keep up to date with the terminology in these rapidly changing fields. New dictionaries are evaluated, and purchased if they meet our standards. We also utilize the latest specialized glossaries published on the Internet. And because your needs are different from those of any other company, we build and maintain a customized list of terms used in each client's case.
